Family Connection

Palm Sunday, also called Passion Sunday, marks the beginning of Holy Week. During this week, we prepare ourselves for Easter by prayerful reflection upon the events of Jesus' passion and death. During this week, your family might display a crucifix in a prominent place as reminder of salvation Christ won for us. This can also serve as the focal point for family prayer during Holy Week.

Because of the length and complexity of the passion narrative, it is difficult for children to remain attentive when it is proclaimed in its entirety. Families can make it a tradition to read a portion of this Sunday's Gospel each day of Holy Week, providing ample opportunity for children to ask questions and respond to the events described there. In this way, the entire week can become a "way of the cross."

Child Abuse Prevention Month

Did you know... Child abuse can occur in every culture and every socio-economic demographic. Peer reviewed research, especially that of the past 30 years, repeatedly shows

this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home.

You can protect children by respecting the safe environment protocols established at youth serving organizations. More importantly, you can implement many of these protocols in your home and be ever observant and vigilant in all public and private settings.

Additional resources can be found on USCCB.org.
